

Catalog Dedication Miss Emma Routh

Emma Routh was introduced to the La Poynor FFA in 3rd grade. It was the same year she showed for the first time at the HCLS. Most importantly Emma discovered her love for a pig.

Daily she would go play with her pig, wash her pig, talk to it, and share her dreams with her pig. It didn't matter what others thought, to Emma, her pig was perfect.

Throughout the years, Emma grew more confident in herself and her pigs. It was at the livestock shows that she felt she was on an even playing field. It didn't matter that she had a disease that was slowly taking her life. It didn't matter she was small for her age, bald, and jaundiced. With her pig by her side, Emma was a force to be reckoned with. In her heart she believed she was walking the perfect pig.

In the 2022 she planned to show a blue pig. Unfortunately Emma never touched her perfect pig. But thanks to Brad Rogers she did get to see a video of it. And it was love at first site. She would watch that video and begin sharing her dreams with her pig. Her beautiful new pig.
